

BEST WING FOOD CONCEPT

TERMS & CONDITIONS

Effective Date: 2026-09-14

Last Updated: 2026-09-23

1. INTRODUCTION

These Terms & Conditions ("Terms") govern the registration and use of the Best Wing Food Concept savings programme, website, mobile application, virtual account services, food incentive programme, and related services (collectively referred to as the "Service").

By registering for an account, accessing the Service, making a payment, or otherwise participating in the programme, you acknowledge that you have read, understood, and agreed to be bound by these Terms.

If you do not agree with these Terms, you should not register for or participate in the Service.

2. THE SAVINGS PROGRAMME

Best Wing Food Concept operates a one-year savings programme that combines a structured savings plan with a food incentive.

Upon successful registration, the system may generate a virtual account number associated with the customer's account. This virtual account is used to identify and track payments made toward the customer's savings programme.

The programme operates for a period of one year from the customer's registration date, subject to the rules contained in these Terms.

3. REGISTRATION

To participate in the programme, a customer must complete the required registration process and provide accurate information requested by Best Wing Food Concept.

The customer is responsible for ensuring that all information supplied during registration is accurate, complete, and kept up to date.

A registration fee of **₹3,000 per account** applies.

The registration fee is separate from the customer's weekly savings contributions.

4. MINIMUM NUMBER OF ACCOUNTS

Customers are required to maintain a minimum of **two (2) accounts** under the programme.

The minimum account requirement applies to participation in the programme and should be maintained in accordance with the programme rules.

5. WEEKLY SAVINGS CONTRIBUTION

Each account requires a weekly savings contribution of:

₦1,500 per week

The contribution period is:

50 weeks

Where the customer successfully completes the required weekly contributions, the accumulated savings will be:

₦1,500 × 50 weeks = ₦75,000

The savings amount forms part of the customer's programme entitlement subject to these Terms.

6. CASH REWARD

Upon completion of the applicable programme requirements, a customer is entitled to a cash reward of:

₦25,000 per account

Based on the stated programme structure, the accumulated savings of ₦75,000 plus the ₦25,000 cash reward gives a total of:

₦100,000 per completed account

The customer's entitlement remains subject to compliance with the programme requirements, including the applicable contribution and default rules.

7. FOOD INCENTIVE

At the completion of the one-year programme duration, a qualifying account is eligible for a foodstuff reward valued at:

¥10,000 per account

The food incentive forms part of the programme's stated benefits and is subject to successful completion of the applicable programme requirements.

8. CLEARANCE FEE

At the end of the one-year programme duration, the customer shall pay a clearance fee of:

¥2,000 per account

The clearance fee applies at the end of the programme before the customer's applicable payout is processed.

9. PAYMENT AND ACCOUNT FUNDING

Customers are responsible for funding their virtual accounts by making payments through the designated payment channels or directly into the designated company bank account.

Customers should ensure that payments are made using the correct account details or payment reference supplied by Best Wing Food Concept.

Customers are responsible for retaining appropriate evidence of payment where applicable.

Best Wing Food Concept may require payment verification before crediting a customer's account.

10. PAYMENT RECORDS

Payments and savings contributions will be recorded against the customer's applicable account.

The customer should regularly review the account dashboard to monitor:

- Account information
- Savings balance
- Contributions
- Referrals, where applicable
- Defaulted weeks
- Other programme information

Customers should promptly report any suspected error or discrepancy in their account records.

11. DEFAULT AND MISSED WEEKLY CONTRIBUTIONS

A customer who fails to make the required weekly contribution will be considered to have defaulted for the applicable week.

A **100% penalty** applies to each missed weekly contribution.

The customer must pay **double the normal weekly contribution** for each missed week in order to catch up.

The normal weekly contribution is ₦1,500.

Therefore:

One (1) missed week:

₦1,500 normal contribution + ₦1,500 penalty = **₦3,000**

Two (2) missed weeks:

₦3,000 normal contributions + ₦3,000 penalty = **₦6,000**

The same principle applies to additional missed weeks.

A customer should ensure that all missed contributions and applicable penalties are settled in accordance with the programme requirements.

12. PROGRAMME COMPLETION

The programme has a duration of one year from the customer's registration date.

Completion of the programme requires the customer to satisfy the applicable savings and programme requirements.

Customers should not assume that registration alone constitutes completion of the programme.

13. EARLY WITHDRAWAL

Early withdrawal is **not permitted before completion of the one-year programme period.**

Customers are expected to remain in the programme until the applicable one-year duration has been completed.

14. PAYOUT

Upon successful completion of the one-year programme and satisfaction of the applicable programme requirements, saved funds and applicable rewards will be processed for payment.

The stated payout timeline is:

Within 10 working days following completion of the one-year term.

Processing may require verification of the customer's account and programme records.

15. CUSTOMER RESPONSIBILITIES

Customers agree to:

1. Provide accurate registration information.
 2. Keep their account information secure.
 3. Make the required weekly contributions.
 4. Pay applicable default penalties for missed contributions.
 5. Monitor their account and contribution records.
 6. Provide accurate payment information where required.
 7. Report suspected unauthorized activity or account discrepancies promptly.
 8. Comply with these Terms and other programme instructions communicated by Best Wing Food Concept.
-

16. ACCOUNT SECURITY

Customers are responsible for maintaining the confidentiality of their account credentials and other information used to access the Service.

Customers should not share passwords, authentication information, or other confidential account details with unauthorized persons.

Where a customer suspects unauthorized access to an account, the customer should notify Best Wing Food Concept promptly.

17. FRAUDULENT OR FALSE INFORMATION

Customers must not provide false, misleading, fraudulent, or unauthorized information when registering or using the Service.

Best Wing Food Concept may investigate suspected fraudulent activity, inaccurate information, unauthorized transactions, or violations of these Terms.

Where appropriate, access to the Service or an account may be restricted while an investigation is conducted.

18. DASHBOARD AND DIGITAL SERVICES

Best Wing Food Concept may provide customers with access to a website or mobile application dashboard.

The dashboard may allow customers to view information including:

- Account details
- Savings balance
- Contribution history
- Referral information
- Defaulted weeks
- Other information relating to the programme

The availability of particular features may change as the Service is updated.

19. SERVICE AVAILABILITY

Best Wing Food Concept will take reasonable steps to provide the Service, but uninterrupted availability cannot be guaranteed.

The website, mobile application, dashboard, payment services, or other digital features may occasionally be unavailable due to maintenance, technical problems, connectivity issues, security matters, or circumstances outside the company's reasonable control.

20. THIRD-PARTY SERVICES

The Service may involve payment providers, banking services, telecommunications providers, hosting providers, analytics services, or other third-party services.

Where a third-party service is used, that service may have separate terms and privacy policies.

Best Wing Food Concept is not responsible for terms or policies that are exclusively controlled by independent third-party providers.

21. COMMUNICATIONS

By providing contact information during registration, customers may receive communications relating to their account and participation in the programme.

These communications may include:

- Account notifications
- Payment notifications
- Contribution reminders
- Programme updates
- Service announcements
- Other information relating to the customer's participation

Where applicable, customers may also receive promotional communications subject to the available communication preferences.

22. CHANGES TO THESE TERMS

Best Wing Food Concept reserves the right to update, amend, or modify these Terms when necessary.

Where material changes are made, the updated Terms may be published through the applicable website, application, or other communication channel.

Continued use of the Service after an updated version becomes effective constitutes acceptance of the updated Terms, subject to applicable law.

23. PRIVACY

Customer personal information is handled in accordance with the Best Wing Food Concept Privacy Policy.

The Privacy Policy explains the types of information that may be collected, how information may be used, how it may be protected, and the customer's rights and choices regarding personal information.

24. GOVERNING TERMS

The customer's participation in the programme is governed by these Terms together with the applicable Privacy Policy and other programme rules communicated by Best Wing Food Concept.

Nothing in these Terms is intended to remove or restrict any right or protection that cannot lawfully be excluded.

25. CONTACT

For questions, complaints, account issues, payment enquiries, or other matters relating to the Service, customers should contact Best Wing Food Concept through the official contact channels provided on the website or mobile application.
